

# Sabre

RGBW/RGB LED Pendants

The Sabre range is a quality decorative LED pendant which can transform and add striking coloured effects to hotels, bars, restaurants, atriums and shopping malls. Various colour options are available, from static colours to RGBW colour changing for more exciting applications. Sabre pendants are made using Opal Acrylic and are fully dimmable using DALI or DMX remote mounted power supplies.

Available in 6 different diameters ranging from 100mm upto 250mm and in lengths between 500mm and 2500mm. Sabre pendants are delivered pre-assembled ready to hang and finished with Aluminium caps and suspension wire kits to facilitate easy installation.

Please talk to our sales team to discuss your project further.
